

Backup for Google Workspace

Google Workspace is gaining popularity among IT admins. Though Google Workspace offers secure cloud storage for businesses, the possibilities of data loss due to deletion, overwriting, ransomware, human error, and other data threats always exist. Vembu Backup for Google Workspace provides advanced data protection for Google Workspace data. With Vembu, you can backup the Mails, Calendar, Contacts, and Google Drive data directly to your on-premise data center.

Customer Quotes

"We were looking for a product that would centralize multiple products and be a turnkey solution. Vembu allowed us the ability to support multiple customers with different environments using an enterprise grade product at an affordable cost"

- Eyal, CTO, Double Down Tech

Vembu Portal

It is an all-in-one portal to register & manage Vembu Products & Services with the options like:

- Billing
